This slide consists of some text with a number of bullet points:  
code:

- ▶ the first, very @important@, point!
- ▶ the previous point shows the use of the special markup which translates to the Beamer specific *alert* command for highlighting text.

The above list could be numbered or any other type of list and may include sub-lists.

for the first viable Beamer setup in Org for contributing to the discussion

1. This will be formatted as a beamer note

***B<sub>n</sub>ote***\* **Frame 2 (where we will not use columns)** \*\**RequestF*

- ▶ this slide consists of two columns
- ▶ the first (left) column has no heading and consists of text
- ▶ the second (right) column has an image and is enclosed in an @example@ block
